At NA\*Skin, we believe healthy, glowing skin starts from the inside out. The clinic is led by Dr Nadia Abuhussein, a GP with advanced training in dermatology, aesthetics and functional medicine, who is passionate about helping people feel confident in their own skin. We use only clean, medical grade products and create treatments that are safe and effective for all skin types and conditions. Whether you want to calm sensitivity, clear acne, brighten pigmentation, or rejuvenate ageing skin, every plan is tailored to you.

Available virtually and in person for your convenience.

First Floor, The Hadley Clinics  
Bridge Street, Manchester, M3 3BN

## Course Discounts Available

- Book a course of 3 sessions – receive 10% off
- Book a course of 6 sessions – receive 20% off

## Functional Medicine Testing

We go beyond standard checks to uncover the root causes of symptoms. Using advanced lab tests, we assess hormones, gut health, inflammation, detoxification, and metabolism to reveal hidden imbalances affecting your skin, energy, mood, and overall wellbeing.

## You'll receive:

- ✓ A detailed interpretation of your results
  - ✓ Clear explanations of what they mean
  - ✓ A personalised plan using nutrition, lifestyle, supplements & topical support
- This service is ideal for complex or persistent concerns such as acne, PCOS, IBS, fatigue, hormonal imbalances, or unexplained symptoms. Available online or in person. (Sample reports available on request.)

## DUTCH Hormone Testing (includes reporting)

- DUTCH Complete – £320
- DUTCH Plus – £420
- Cycle Mapping – £380
- Cycle Mapping Plus – £500
- Cycle Mapping Complete – £450

## Genova Diagnostics Testing

### (Result interpretation + £65)

- GI Effects® Comprehensive Profile (1 or 3 Day) – £375
- GI Effects® Microbial Ecology Profile (1 or 3 Day) – £210

## Add-ons

- Parasitology Module – £65
- Secretory IgA – £55
- Direct Examination for Parasites – £35
